## Put your tongue on a fire hydrant lately?

**Cold**

Warming things up to start was Lion Tamer Phil Penn's attempt to Ooom Pah Pah the group in 3 part (dis) chords. There were 34 Lions, including guest **Ed Stahley** (of Greg Dowsett), who is working on an application for membership.

With his sheet full of misgivings, TT Greg Dowsett recognized the following individuals:

- Phil Penn (who actually got a \$1) for his recent work to add 119 new members to the Chamber of Commerce (and who undoubtedly will be asking them to come to a Lions meeting in the near future!);
- Paul Thomas, Brian Thomas and Duane Klein for not having the Lions Den open for last week's board meeting;
- Bill Cork, who treated the group who went out on Band Night to a few pitchers of 'domestic' brew, but couldn't find time to join the group;
- Sandy Lavagnilio was re-introduced the club;
- Cliff Yehle got a dollar for being the only male at the table; Laura Swinehart, Ann Kalman, Jill Windy and Karin Frey all paid a buck for not allowing any more men to join them;
- Carter Elliott for having some recent math problems;
- Gary Chastain for being late today;
- Bill Lavery for using his cell phone during the meal;
- Bill VanPatten for 'General Principles'.

Winners: Jack Goodman, Jill windy, Greg Dowsett, John Leatherman, Bill Loftus, Paul Thomas

Travel Fund winners: \$5 Ann Kalman; \$10 Duane Petersen
