Was Teddy there?

Our meeting was at the former Roosevelt school (now, was it named after Teddy, Franklin, or Mildred?). We had 41 Lions including a visiting Lion, **Tom McLaughlin**, guest of Jack Goodman.

Lion Em led the group in 'Show me the way to go home'. Was he being prophetic?

Other Stuff

Installation Banquet has been planned for Friday, June 5th at 6:30 p.m. Mark this down and plan on attending to help welcome the new officers and recognize current members for their work this past year. Call Cliff Yehle for cost info and to make reservation. Meal choices include chicken, salmon or sirloin.

Other Stuff

Living it up needs some volunteers for the Friday night (last week by the time you read this) event.

Plant sale conditions were horrible, but very profitable.

Other Stuff

Program

Rod Robertson, city councilman and Roosevelt resident, Alan Greaser (LaCasa) and Jason Shenk (LaCasa and Roosevelt Center manager) spoke about the facility. It has 35 apartments, commercial space, a gym and cafeteria. Community groups can use the cafeteria for a fee. A community park is on the old playground and there are commercial spaces available for offices.

Next Meeting

The Walter Lerner Scholarships will be presented and Prez. Duane will use the meeting to review this past year's events.

Attendance Drawing

Nada. Nothing. No drawing. Be sure to be present next week, 'cause if the pot reaches or exceeds \$100, there will be a winner. Names will be drawn until someone qualifies.

Thought for the Day

In the spring, at the end of the day, you should smell like dirt..
