Cubs VS Sox at this week's meeting

As Liantamer Phil started things out with "Take Me Out to the Ball Game" as our Chicago teams went into the playoffs TOGETHER for the first time since 1906 (Lion Paul Thomas remembers it as if it were yesterday).

Master Tail Twister Brian Thomas fined the following desperate criminals:

- Bruce Shreiner for making yet another shameless plug for his "business."
- Mike Lavagnilio for something to do with his wife, Sandy.
- Duane Peterson for being tall enough to play golf in the flood waters.
- Gary Boyn for showing up for the first time in several weeks. And being a lawyer, maybe -- we couldn't tell.
- New John Leighty for bringing Ron Troyer as a guest, violating the rule that there can only be one short politician in the room at a time.
- New Lion Laura Swinehart for impatiently demanding an orientation session.
- Duane Klein because last week the club left all the "paraphernalia" out after the meeting, thus annoying the Matterhorn management. Lion Cliff received the Duane's dollar for having cleaned up the week before.
- Lion Paul for not being color coordinated.

Winners: Gary Chastain, Dave Dufour, Paul Thomas and Guest Speaker Mike Niedbalski.

Travel Fund winners: \$5 - Phil Penn; \$10-Joe Grolimund

Other Stuff

In addition to the video that will start when you click on the above link, there are additional videos worth your viewing. Watch one an hour, one a day, one a week, but be sure to watch some of the others. The video 'Sight for Kids' is a short story about how a grant from Johnson & Johnson is making a difference to children throughout the world!

Bookmark this site and return weekly to see what is posted. After seeing this, can you think of any reason why people aren't 'banging on our door' to become members? They would, IF ONLY SOMEONE ASKED THEM!

Attendance Drawing

Bill Addison won the drawing and was present, but wasn't present last week, so he couldn't collect the \$9.00 pot.

Thought for the Day

Listening is as important as talking. If you're a good listener, people often compliment you for being a good conversationalist.
